Dear Richard:

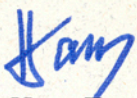

As we near completion of our renovation project here at Prince of Peace Lutheran Church, we want to take this opportunity to give a special thank you to Harold Kelley and Ron Heinkel who have done an outstanding job with this project.

Harold has put in long hours to make sure the job site was safe and secure each evening. He has given special attention to the details that make a project of this magnitude successful and as painless as possible. While, at times, he has had many people making requests of him, he has remained courteous and pleasant to work with and has been especially thoughtful and loving toward our preschool children.

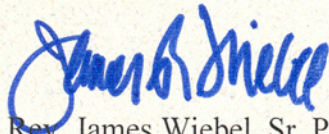

From the very beginning, we have felt confident that Ron has had the best interests of Prince of Peace in mind as well as the interest of McCree. Ron has been very attentive to our needs and has maintained good communication throughout the project by providing thorough notes and has followed through on commitments.

Both of these gentlemen should be commended for their representation of McCree Inc.

Sincerely,

Hans Tews, President; Rev. James Wiebel, Sr. Pastor
