Dear Richard,

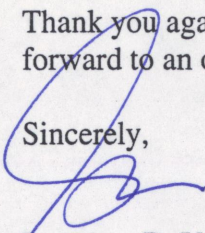

Happy New Year with best wishes for great health and continued success in 2004! On behalf of Ronald McDonald House Charities of Central Florida board of directors and staff, please accept this letter as an expression of our gratitude for all the support you and the entire team at McCree, Inc. have provided our organization over the past seven years; with the building of two Houses and one expansion. Ronald McDonald Houses of Orlando have been able to grow to meet the needs of our community, offering more bedrooms to more families with children hospitalized while in our city. The involvement and expertise of McCree, has enabled us to increase our scope and level of service to families in need.

McCree, Inc.'s generosity along with the relationships and partnerships that they have brought to our organization has meant an estimated \$1.2 million of in-kind contributions to our non-profit organization. The professionalism of your staff, their knowledge and ability to work under pressure are commendable. We know, too, that the physical structure of Our Houses is sound.

Richard, it has been a pleasure working with you and McCree, Inc. throughout the history of Ronald McDonald House of Orlando. Best wishes again for a healthy, happy, prosperous New Year!

Thank you again for all you do for our Ronald McDonald Houses of Orlando. We look forward to an ongoing partnership!

Sincerely,

Lou Ann DeVoogd
