**FOR IMMEDIATE RELEASE:**

**McCree Awarded Lake Nona Medical & Dental Properties Project**

Orlando, FL/March 8, 2016 – McCree General Contractors & Architects has been selected by Lake Nona Medical & Dental Properties for the design and construction of three 6,050-square-foot medical office buildings with associated site work. McCree’s team consists of CivilCorp Engineering Inc., Schweizer Bojack Landscape Architecture, McElroy Engineering LLC and Bobes Associates Consulting Engineers, Inc.

This project is scheduled to start construction in the 2nd quarter of 2016 with completion by the end of 2016. The project is in the design phase with subcontractor bidding opportunities available at the end of May.

McCree was founded in Orlando in 1926 and, for the last 90 years, has been a family owned and operated business. It is Central Florida’s oldest Design/Build firm. McCree has provided Construction Management at Risk and Design/Build services for numerous projects throughout the State of Florida and beyond. McCree utilizes an inclusive and diverse staff of general contractors, engineers, architects, and estimators to ensure that every aspect of design and construction is fully understood and handled with the highest degree of industry professionalism.
