FOR IMMEDIATE RELEASE:

McCree Begins Florida Hospital Renovation in Orlando

Winter Garden, FL/November 13, 2017- McCree General Contractors & Architects, Inc. has begun construction on the new 12,000 square foot children's health clinic in West Orange County. Nemours Children's Health Clinic will occupy the entire space being built by Sonata West, LLC.

"We are thankful to Sonata West for affording us the opportunity to serve our local children's healthcare community," said Richard T. McCree, Jr., CEO for McCree General Contractors and Architects. "This new facility for Nemours will help facilitate their growth and allow them to continue providing pediatric healthcare for families in Central Florida." healthcare service."

The \$3.5 million design build project is expected to be complete during the 2nd quarter of next year.

McCree was founded in Orlando in 1926, and for the last 91 years has been a family owned and operated business. It is Central Florida's oldest Design/Build firm. McCree has provided Construction Management at Risk and Design/Build services for numerous projects throughout the State of Florida and beyond. McCree utilizes an inclusive and diverse staff of general contractors, engineers, architects, and estimators to ensure every aspect of design and construction is fully understood and handled with the highest degree of industry professionalism.
