McCree Design Builders, Inc. was recently awarded an OCPS contract for Comprehensive Projects at Pineloch Elementary School and Ocoee Elementary School

ORLANDO, FL/August 12, 2013– On July 11, McCree Design Builders was awarded a contract by OCPS to provide construction services for the Pineloch and Ocoee Elementary Schools. The schools will commence simultaneously throughout the design and construction processes. Both projects will involve demolition, remodeling, and new construction to replace currently existing structures.

Pineloch Elementary School is located at 3101 Woods Avenue, and Ocoee Elementary School is located at 400 S. Lakewood Avenue. Completion of both schools is planned for 2014, and the budget for both schools is approximately \$21 million.

“We are looking forward to working with OCPS on these projects,” said Richard McCree Jr., President and CEO of McCree. “It is our firm’s goal to build state-of-the-art educational facilities for our communities which will stand as centers of learning and civic pride for many years.”

McCree has been performing construction services for the Central Florida Community for over 87 years, and in all that time it has remained dedicated to honesty and value. McCree has been working with OCPS for over 60 years with a fully integrated in-house team of General Contractors, Architects, Engineers, and Interior Designers. McCree is committed to ensuring that every project is completed on-time, on-budget, and with quality construction which exceeds Owner expectations.
